# Perceptible Not in Progress But in Result"—GW

Miss Helen Kirkland takes time out once in a while for relaxation.

Miss Kirkland receives word that the flu epidemic may penetrate the Valley fortress.

Kristy Green, head cheerleader, in conference with Miss Helen Kirkland, talks over cheerleading difficulties of the squad.

The above quote, by George Whyte expresses the beauty of education — the education Miss Helen Kirkland extends to every student who passes through the realm of her jurisdiction.

Education is the most important thing offered young people today. It opens up a world of knowledge and opportunity. The value of education cannot be given a price; treasure it, protect it, but most of all—USE IT!!

# V.P.'s, Counselors Gave Students Assistance

SAVH counselors had the unpopular job of being "mother hen" to the entire population of Valley. Smoothing many a path and unruffling many a Falcons' feather, lay on the patient, understanding shoulders of our counselors. Many a life may be molded by these dedicated men and women.

With them, each individual could discuss future plans, dreams, fears, problems; and our counselors were there to listen, and to help.

Much thanks should be offered these fine men and women who have helped many Falcons on the road to a better, more prosperous life.

*The only good Bird is A dead Bird*

Valley's two Vice-Principals, Mrs. Virginia Corrigan and Mr. Richard Kirwan, assisted Miss Kirkland and the six other counselors with major counseling problems associated with discipline of habitual offenders, academic progress of students, attendance, as well as the behavior and attitudes of individuals.

Mrs. Corrigan, in addition to her duties as Vice-Principal, served as an advisor to the Girls' League.

Our appreciation is extended to these two devoted persons for their guidance and cooperation in all activities sponsored at Valley.

This is the outstanding Winter Play cast for 1965-1966 that helped make "The Imaginary Invalid" a hilarious fun-filled hour of entertainment.

Monsieur Ardin, the imaginary invalid, is a thorough-going hypochondriac. His daughter, Angelique, is in love with a young man by the name of Cleante. But Ardin insists that she shall marry a man of choosing, the son of a doctor and a doctor himself, Thomas De Fois. Toinette, the maid, and Beralde, Ardin's brother, do everything possible to dissuade Ardin in his determination to marry Angelique to the stupid Thomas. They are fond of Angelique, and, to further her cause and clinch her affair with Cleante, they ridicule Ardin and his doctors in every conceivable way, trying to show up Ardin's folly and the doctor's stupidity. Beline, Ardin's shrewish wife, is determined that Angelique shall become a nun so that there will be no one but she, Beline, to inherit Ardin's estate.

It's down the hall, first door to your left.

And so the digging begins.

# *Grounds: an Art Room and a Swimming Pool*

Digging begins for the new art room at Valley.

Slowly, the walls became erected.

Inside the art room every thing seems to be topsy-turvy.

## Senior Class History

While we, the members of the class of '66, the sixth graduating class of Valley Senior High School, sit in the Santa Ana Bowl listening to the commencement speaker on our last night as seniors, we can recall all of the wonderful, but short years we have spent at Valley.

As sophomores we familiarized ourselves with the campus and its traditions. After our orientation and days of organization came our first chance for relaxation; football season in all its glory. Pep assemblies, after-game dances and elections vied for popularity, but the Homecoming activities with the Kangaroo Court were by far more popular. We, as sophomores, made one everlasting contribution to Valley; we made our class ring traditional.

Energetic juniors crowded Valley's corridors in September, 1964, with a goal of presenting to Valley's seniors the best Junior-Senior Prom ever to be given. We labored hard selling victory suckers, an innovation, and programs for the football games. Candy bars were sold during the Christmas season and an after-game dance was sponsored. Step by step we raised the money necessary to pay for the ballroom at the Newporter Inn, the Pastels, our band, refreshments, and decorations. A theme was chosen early and the decorating committee began the laborious task of making carnations for our *Memories in May*. Proud juniors and impressed seniors danced around the ballroom on Prom night in May—our goal had been reached.

Mighty seniors stormed Valley in September, 1965, and we had been determined to make the best of our senior year. We had felt secure knowing that we had chosen able leaders to guide us. John Payne and Tom Adams, our class presidents, achieved new horizons for us as a class, while our Pep Squad, with its three male members, increased our spirit.

First semester had been filled with college entrance exams, football games, Homecoming, and magnificent plans for second semester. Our varsity football team laid the Sunset League championship at our feet, while our Student Council, headed by Danny Nicholas, encouraged more student participation in school functions. Being proud seniors we ordered special buttons, proclaiming our class and graduating year. These buttons, passed out to all seniors free of charge, were to be worn at all school activities. Our senior pictures were also taken reminding us that the end was near.

During second semester we witnessed a Spirit Week, sang at a Senior Hootenanny, were fitted for our caps and gowns, and ordered our graduating announcements. In March we attended the annual Faculty-Varsity basketball game, which proved to be quite amusing, and held a Senior Poll, the Best of '66.

May included the Key Club Achievement Awards Banquet, the Senior Play, and our Senior Bermuda Day. With the end nearing, we enjoyed a memorable evening at the Newporter Inn at our Junior-Senior Prom. Al Martinez, our Student Council President, Spoke briefly at our Senior Luncheon which was held at the Disneyland Hotel June 15, 1966.

As our last act as seniors, we stand and sing our alma mater:

From the azure sky comes Valley's blue,  
From the sunset gold, our amber hue.  
Blue for valor, gold for worth—  
We go forth throughout the earth.  
Valley High, we sing thy praise,  
For now and all our days.

Valley High we thank you.

This year's Talon Literary Staff, consisting of nine people, has worked hard to try and impress the Associated Student Body of Santa Ana Valley with an outstanding yearbook.

Throughout the year we have tried to meet our deadlines, sometimes we were successful, other times not so successful.

Each person had his or her own job and had to see that it was completed. Each person had to lay out his own pages, tell the photographers how to pose subjects and then complete final copies.

The Talon Literary Staff slaves over pages as a deadline nears and editors crack whips.

Covering all the corners of Valley's campus, *Falcon* reporters dug out and wrote stories in their established award-winning manner. The staff published the four page tabloid bi-weekly and kept Valley students informed on all important events and happenings. A new form was introduced this year and was employed throughout the weeks of production. Few other Orange County high school or college publications use this style. Traditionally the *Falcon* has been rated one of the top high school papers in the county. This year the *Falcon* again lived up to its fine style and creative abilities.

Valley's literary magazine, the *Essence*, was put to press during the spring after many hours of editing, writing, revising, and layout work by the literary staff. Meeting daily second period, as well as many times late into the afternoon, to work on entries and prepare for publication.

Choosing from many entries by creative Falcons, the Editorial Board selected copy from the following categories: poetry, humor, short stories, narratives, and essays. Again, the *Essence* staff has produced a beautiful literary anthology with a variety of creative abilities incorporated.

Dan Nicholas  
ASB President

Dear Students,

I consider it a privilege and an honor to have had the opportunity to serve you as your Student Body President. Our semester's Student Council was fortunate in seeing many precedents set in student government at Valley. We saw a long awaited and needed enlargement of Council as the presidents of each class have become important members. By this as well as other improvements, I hope to see student government at Valley become increasingly more important, for the students as well as their school will continue to profit and benefit by its opportunities.

Personally, I would like to thank my secretary, Marcia Herrema, for her support and efforts. It would have been much more difficult without her sincere and complete help. Most of all, I would like to thank you, the Student Body, for your participation and support. Student government would have no purpose or motivation except for its goal to please you, and see that your interests are carried through.

God be with you,

Dan Nicholas,  
ASB President

## Student Council

This year the Student Council of Santa Ana Valley set a precedent for the future law-making bodies of our school. They have kept the traditional Valley spirit alive—alive in student government.

Under the leadership of Dan Nicholas (first semester Associated Student Body President), and Al Martinez (second semester ASB President), Valley prospered in leadership, spirit and in academics.

Nicholas and Martinez did a wonderful job in representing Valley throughout the year, and at long last succeeded in giving her Falcons the type of student government they need and so rightfully should have.

Under the fine leadership of President Jane McChesney, this year's Girls' League achieved the goal of establishing greater union between the girls of Valley.

Functioning as one of the most active organizations on campus, Girls' League participated in many projects. These projects included the Sophomore Fashion Show, giving the Homecoming Dance, providing a needy family at Christmas with a turkey dinner, selling candy canes before Christmas, presenting the annual Easter Egg Hunt for the faculty children, sponsoring the Spirit Week Hush Day, and the selection of a senior girl each month to represent the cream of the senior crop.

The girls of Valley elected Girls' League Cabinet officers for the up-coming year, 66-67; they were Mary Pepper, President; April Stoner, Vice-President; Linda Marron, Secretary; Gail Schasre, Treasurer; and Stefanie Gieseler, Dress Board Chairman.

# *The Sweet Sound of Music Prevailed This*

The marching band presented demonstrations of marching skill as well as musical ability.

Members of one or the other of Valley's musical groups combine for dance music at a gym

# *Year as SAV Bands Performed for Falcons*

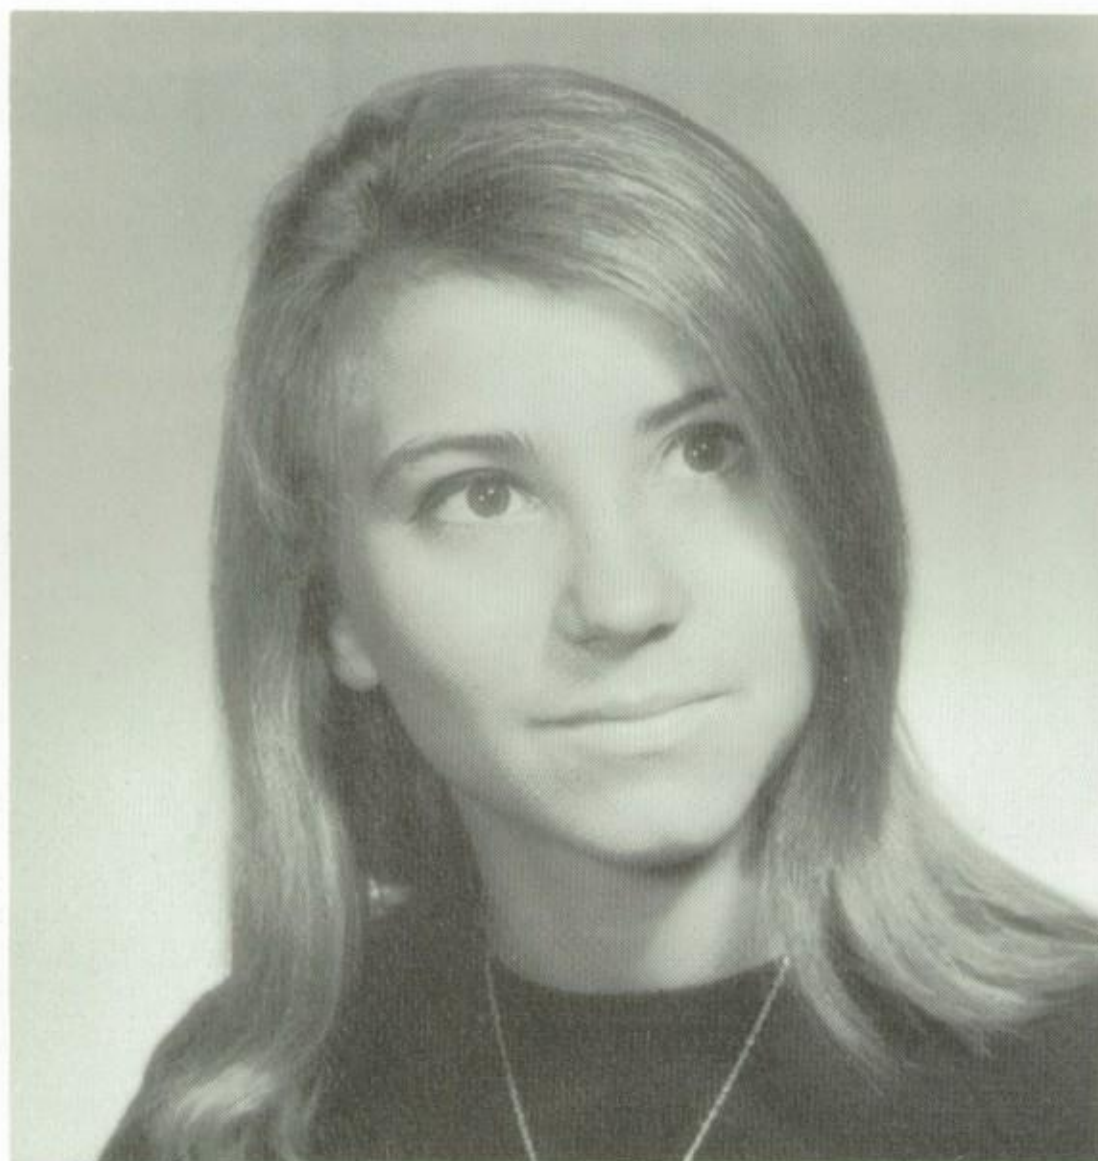

THE SOUND OF MUSIC has always been available at Valley's get-to-gethers, whether it be a football game where the marching band appeared, a basketball game at which the pep band performed, an assembly where the "Pep Band" gave some musical rendition, or a dance. The thing that must be realized is that in order to present the one program of music the musicians must practice both individually and with the rest of the congregation for many hours before the presentation. Our musicians have done well to carry out the attitude of contribution to school spirit.

Musicians presented numerous assemblies.

Other signs and posters were made by the Pep Club members to be used in the football games, pep assemblies, and around school.

This year's Pep Squad has fulfilled its purpose of adding enthusiasm and pep to the football and basketball games. Miss Patricia Ball, advisor, directed the Pep Squad at each of their three practices a week and during the assemblies.

During the summer both groups spent a week of extensive training at the Redlands Cheerleading and Songleading Camps. As was shown this year, the camps greatly improved the techniques and style of the squad.

Forty-five girls made up this year's Drill Team. These girls have provided, along with the band and majorettes, our half-time entertainment for this year's football season.

These girls made up their own routines, according to the music Mr. James Butler provided.

Every morning during football season you would see the Drill Team and band out on the field during very cold weather, just so they could provide half-time activities for all the Falcons.

We owe a great deal of thanks to Mrs. Renan Musick and the Drill Team for this year's half-time activities.

During halftime, of the Homecoming game, the Drill Team stands at attention.

La Crescenta makes another unsuccessful attempt to gain yardage against Valley's hard-nosed defense.

## *La Crescenta*

La Crescenta was the first foe to fall to the Mighty Falcons. Bobby Carroll scored the first of Valley's T.D.s with a 40-yard run off guard. Gary Windh's conversion was good. The Falcons disturbed the scoreboard again when Gary Windh kicked a 30 yard field goal. Valley scored their second T.D. with a 9 yard swing pass to halfback, Terry Echan. At half-time the score was 16 to 0 with the Falcons ahead. Ron Moorhead twisted his way 12 yards for Valley's third T.D. Crescenta's only touchdown came with 51 seconds left in the game, from a partially deflected pass. The kick was blocked.

## *Mater Dei*

The Mighty Falcons met the Monarchs of Mater Dei at the Santa Ana Bowl with 9,000 cheering spectators. The hard hitting Valley defense scored the first touchdown of the game when Gary Meek intercepted a Monarch pass and ran 45 yards down the sidelines. Windh's kick went wide. Don Snider set up Gary Windh's 25 yard field goal by intercepting another Mater Dei pass and scampering to the 17 yard line. Mater Dei got on the scoreboard in the second period which ended the first half with Valley leading 9-6. Mater Dei recovered a costly Valley fumble in the fourth quarter and turned it into the winning touchdown. A last minute rally by Valley proved to fail. The game ended with Valley losing the heart-breaker 13-9.

Valley's defense turned offense after Dallas Stahr picked up a Mater Dei fumble.

## *Centennial*

The Falcons caused an adjustment in CIF rankings by scalping the Apaches of Centennial with a 21-13 score. Valley took a second quarter lead with Ron Bleeker recovering an Apache fumble on the 29 and a screen pass to Bobby Carroll who went to the 2. Ron Moorhead scored on the next play. The Falcons scored early the third quarter when Terry Echan zipped 58 yards. Gary Windh converted for the second time. Centennial scored their first T.D. with a Valley fumble and a 15 yard penalty with Leonard Randle going the final 11 yards. The conversion was good. The Apaches threatened to tie the score in the fourth period but Steve Noesser blocked the PAT. Valley scored four plays after the kick off as Moorhead broke over left tackle for a 33 yard T.D. Windh again added the P.A.T.

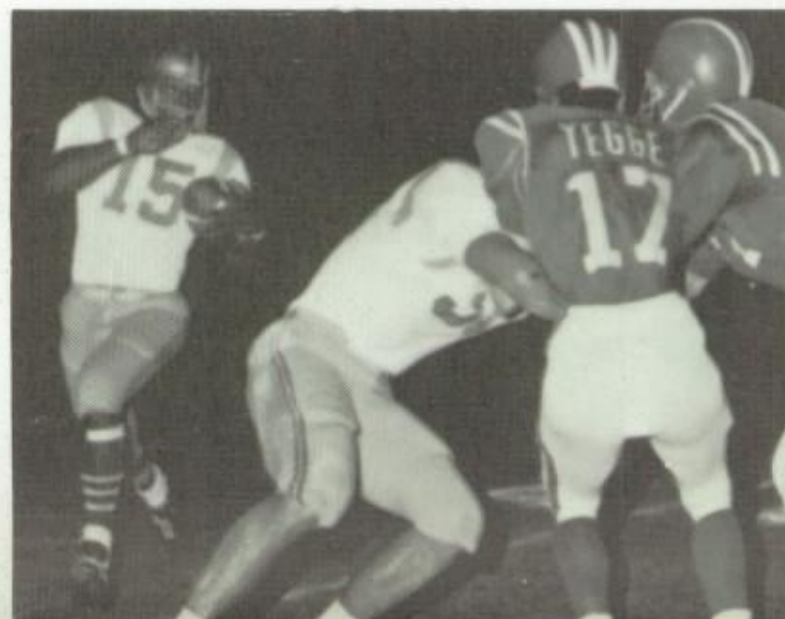

Bobby Carroll scrambles through Centennial's defense for his 29 yard touchdown.

Terry Echan scrambles through the Poly defense.

Bobby Carroll picks up a good block around right end.

## *Long Beach*

Rabbit stew was served at the Santa Ana Bowl as the Mighty Falcons downed powerful Long Beach Poly 13-7. The Jackrabbits took a 7-0 lead as Poly quarterback Bob Buskirk got the Valley secondary spread on an apparent roll-out pass and scrambled 37 yards. The boot was good and Valley rebounded right back as Ron Umbaugh faked to Carroll, followed Moorhead through the line and dashed 24 yards to paydirt. Windh tied the score 7-7. The Falcon eleven broke the tie with Unbaugh safe in the pocket of blockers and passing to Echan in the open for a 44 yard touchdown. Don Snyder downed a possible Poly Score by picking off a Buskirk to Long pass in the end zone and zipping to the 29.

With the blocking of linemen like Bob Lewis and John Hays, the Falcons downed Long Beach Poly.

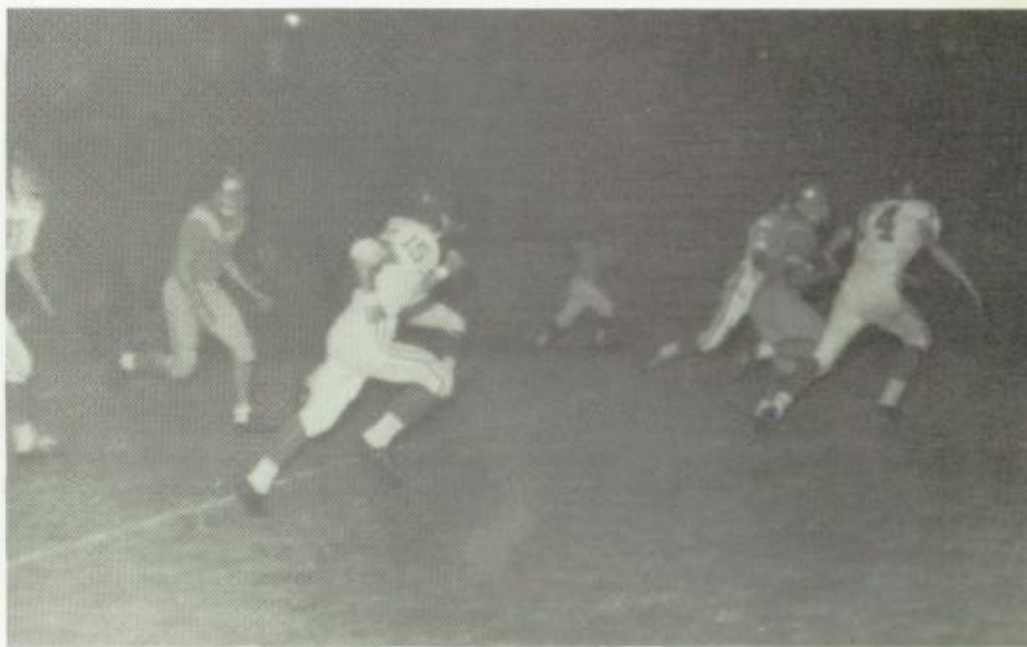

Terry Echan advanced the pigskin many times against Marina.

## *Marina*

Valley entered into the 1965 Sunset League Campaign with a bang, bombing Huntington Beach Marina 28-0. Valley tallied its touchdowns with Al Martinez recovering a hand-off fumble and Bobby Carroll scampering 25 yards. Ed Russell recovered a Marina fumble on Valley's 45, four plays later Ron Moorhead stepped across the goal line from the one. John Danezak recovered a fumble punt on Marina's 16 on the last play of the first quarter. Moorhead made his second T.D. of the night on the second play of the second quarter from the 10. Gary Church intercepted a Marina pass and returned it to the 21 to set up a Ron Umbaugh to Gary Meek touchdown pass.

## *Western*

The Falcons made a routine run of the Santa Ana Bowl, overpowering Western High 33-7. The Valley eleven scored touchdowns on their first three opportunities. Fullback Ron Moorhead took the pigskin over for six after a 21 yard pass to Terry Echan. Gary Windh added the P.A.T. Echan added the second T.D. on a 76 yard sprint as Bobby Carroll and Al Crowell headed him goalward. Bobby Carroll set up his 9 yard touchdown with a 21 yard dazzler. Windh's kick was low. Minutes before halftime, Joe Flores pounced on a loose ball and the Falcon Reserves took over with Bob Nelson scoring from the 3. Windh made it 27-0. Western caught the kickoff team napping as Mike Baker twisted 93 yards for Western's only T.D. The only score of the second half came with a 25 yard T.D. by Echan.

Fullback Ron Moorhead sets up his own touchdown.

Valley's defense made it hard for Westminster to gain yardage.

## Westminster

The Mighty Falcons had a bit of bad luck at football as Westminster pulled a 10-7 upset. All the scoring came in the first half. Westminster's touchdown came with Rikki Aldridge going from the 3. The P.A.T. was good. The Falcons bounced back with the help of hard running fullback Ron Moorhead, who picked up 45 of 52 yards in the drive, and finally going over for the score. Gary Windh tied the score. Westminster took the lead again, after a 20 yard field goal by Aldridge, which last the whole night. Valley threatened to go away victorious as Al Crowell, Bobby Carroll, and Ron Moorhead drove to the 3 yard line, but were stopped on downs. Leon Van Gorkum recovered a fumble. Moorhead punched into the end zone but fumbled and Westminster recovered to insure the win.

## Anaheim

The Fabulous Falcons ruined a 25 year Homecoming winning streak for the Anaheim Colonists as the Falcons downed the Colonists 14-7. Coach Dick Hill sent in a play that not only shocked the spectators but every person associated with football in the county. On the first play from scrimmage Ron Umbaugh faded back and threw a perfect pass to Terry Echan who raced 68 yards for the touchdown. After a few downs for both teams, Valley buckled down once more as Bobby Carroll and Ron Moorhead took the pigskin to the 5 yard line where Umbaugh faked to Moorhead and gave to Echan for the second touchdown. Windh added the P.A.T. for the second time of the night. The Colonists must have been aroused by the second T.D. as they drove 74 yards for their only T.D. Valley attempted a 30 yard field goal, but Windh's kick was low and wide. The win put Valley and Santa Ana in the race for the Sunset League title.

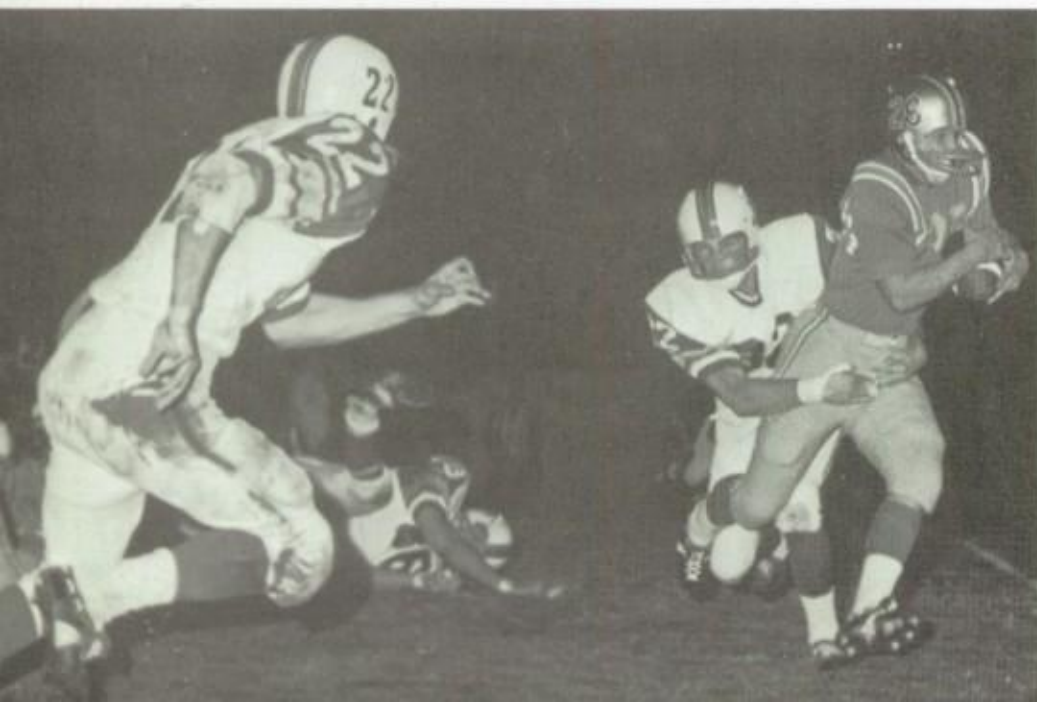

Terry Echan about to be stopped, one of the few times against the Saints.

Bobby Carroll scrambles around left end with little daylight.

## Santa Ana

"Here we come C.I.F." was the chant of the Valley stands. Sunset League crown was the feeling on the field and the score was 27-6. That is the way it was at the Santa Ana Bowl when the Fabulous Falcons downed the Santa Ana Saints. The Falcons lit the scoreboard with Gary Meek taking a pass from quarterback Ron Umbaugh in the end zone. Gary Windh's kick went bad. Umbaugh made the lights blink again as he passed up the middle to Terry Echan who raced 61 yards. On the next set of plays Echan raced 70 yards to the 4 with fullback Ron Moorhead going the final 4 yards. Valley's last T.D. came with reserve quarterback Criss Rodgers going in for 6. Windh's kick made it 27-0. The Saints only touchdown was made by Tom Deckert who took a pass from Carl Francis ending the game at 27-6.

## Redlands

Mistakes cost the Falcons the chance to win the CIF AAAA crown, for the Falcons fell to Redlands in the first round of the playoffs. Late in the first quarter Terry Echan took a pass from Ron Umbaugh for a 29 yard touchdown. Gary Windh gave Valley a 7-0 lead. The Terriers bounced back, moving 83 yards with Gary Grey scoring from the 4. Minutes later Grey scored again from half yard out which put the Terriers ahead 14-7 at the half. With 7 minutes to play, Redlands kicked a field goal which proved to be the winning points. The Fabulous Falcons got their old spark back as they drove 63 yards with Ron Moorhead ramming his way into the end zone. Windh's kick was good. In the final minutes of the game, the Falcons threatened again after Al Martinez recovered a fumble on the 30, but they lost the ball on downs ending the game 17-14.

WOULD YOU LIKE TO BECOME A CHAMPION PERSON?

1. BE COMPLETELY HONEST—Our civilization is founded on trust of each other.
2. GET ALONG WITH OTHER PEOPLE—To be free to do your best you must think well of others and feel that others think well of you.
3. EXPERIENCE A DESIRE TO IMPROVE YOURSELF—You must evaluate yourself today and determine what kind of person you want to be tomorrow.
4. SET MANY MAJOR AND LESSER GOALS THAT DO NOT CONFLICT WITH EACH OTHER—Goals must be step-by-step goals that do not cancel each other, but make you into the type of person you have determined to be.
5. BELIEVE IN YOURSELF—You must keep lesser goals ahead of you that you are sure you can reach. As you reach each lesser goal, confidence will build within you that you can reach your major goals.
6. BE WILLING TO WORK—Realize that there is more to growing up than just getting bigger. It takes work to build anything worthwhile, including yourself.
7. DO YOUR BEST—Remember, if you do your best your best will get better. If you are not doing your best, you are practicing mistakes.
8. LEARN TO CONCENTRATE ON WHAT YOU ARE DOING—While you are performing a task, do not let thought power slip away through thinking about what people are thinking of you.

# Talon Literary Staff Bids Farewell to Valley

Many deathly moments of silent crying fell on Lindy Brandalise and Vicki Choate as deadlines passed—uncompleted.

Now to begin with students—these are photographs.

A great abundance of enthusiasm was shown as the first carton of yearbooks was opened.

The year is over, our work is completed, and we have just finished passing out the last copy of the 1966 *Talon*. The literary staff if not only overjoyed, but thankful as this task was not only a great accomplishment but also a miracle. There were many obstacles to overcome in the production of this yearbook. The major one was that our entire staff, excluding Vicki and me, were inexperienced in this field. So we put together the little knowledge we had with the great amount of staff enthusiasm, and created our "masterpiece."

Most people do not realize the time and work involved in producing a yearbook. Not only do we lay out pages, write copy and headlines, and edit, but we also plan and schedule pictures. This includes securing a time convenient to the photographers, administration, and students. We hope that all this work has not been wasted, but has made a book equal to Valley's high standards. In the future, our hope is that you will be able to look back at the 1966 *Talon* and relive the many experiences you have shared with fellow students this past year.

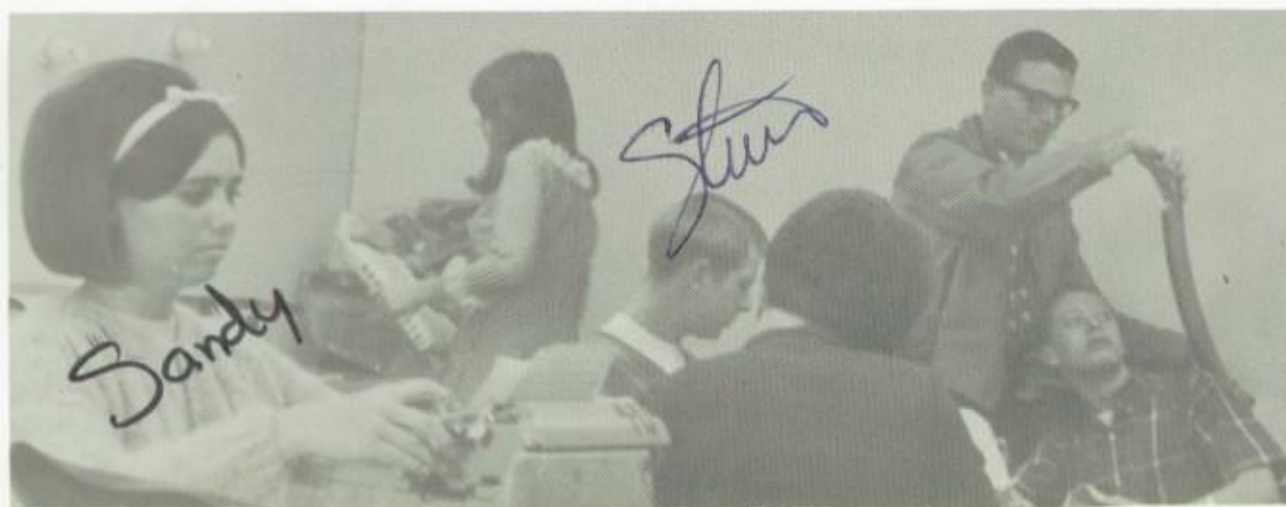

We would also like to express our sincere thanks to the following people for their much earned acknowledgements. Our staff—Sandy Hanson, Michael O'Neal, Steve Johnson, and Ron Moorehead for a job well done, and of course, to our great and energetic photographers Mike Lopez and Gary Tucker. We would also like to extend our gratitude to the advertising, sales, and art staffs for their wonderful co-operation. Miss Margaret Kelley also deserves a big thanks for putting up with all our noise and being our second teacher this year. Lastly, we would like to recognize our advisor, Mr. David Young, for his fine supervision.

Our one last wish is extended to the students of Valley, and this is that we hope that everyone enjoys this yearbook as much as we do.

Sincerely,

*Lindy Brandalise*  
*Vicki Choate*

Talon Co-Editors-in-Chief

The staff worked under great tension as deadlines neared.
